### *A Letter from the Chairman*

Dear Friends,

The Catholic Charitable Foundation for the Roman Catholic Diocese of San Angelo was established in 2010. I thank all of those who have established endowments for their faith-filled support, their generosity, and their confidence in our ability to handle those resources wisely. While the value of the original gifts of all of our endowments has been preserved, the income from those gifts is what has been given out in grants. Those grants have supported seminarian education, parishes, Catholic schools, and Catholic charitable organizations, and they have also allowed some of our mission parishes to receive financial assistance to meet some of their most pressing needs.

On behalf of the people of the Diocese of San Angelo, I am very grateful to those who have established these endowments to support the faith life of our Church in perpetuity. This is a fine example of responsible stewardship. As we go forward, I encourage consideration of the Foundation in your planned giving and estate planning.

In the Joy of the Gospel,

Most Rev. Michael J. Sis  
Bishop of San Angelo  
Chairman of the Board of Trustees
